The VineYard

INDEPENDENT WINE MERCHANTS

Wine Club

Introduction

How would you like to learn more about wine, try exciting new wines, explore different areas on the wine map, spread the cost of your purchases throughout the year and have the cases delivered to your door free of charge ? (conditions apply) If your answer is yes, then read on.....

Unlike other wine clubs we will be taking advice from our suppliers and carefully selecting each wine personally. There may be a few new vintages from old favourites, but mainly new wines that will tantalize your taste buds and leave you wanting more.....

Included in each case will be an information sheet giving you background details on each wine, along with tasting notes to further enhance your enjoyment.

So how does it work ?

The Mechanics

It really couldn't be easier. You simply choose the case(s) you would like delivered from the following three options £120.00, £160.00 and £200.00 and the case will be delivered to you every alternate month. Use our calculator below to work out how little it will cost you per month. Then all you need to do is decide how you want to pay and we will do the rest.

£ 120.00	£ 60.00 per month
£ 160.00	£ 80.00 per month
£ 200.00	£ 100.00 per month

There are two payment options open to you. Please see attached sheet for more details. All we ask is for you to complete and return the enclosed form so we can set you up as a member. After that just enjoy.....

And so we move on to the most important part -

The Cases

The £120.00 case

This case will be a mix of six pairs. This case will feature a selection of wines that could come under the category of "everyday drinking" but also include some exciting treats. We will tempt you with styles that perhaps you haven't tried for a while or indeed have never considered trying. Great wines at great prices, just the sort of case to have for those moments when you just need to pour yourself a glass of wine!

The £160.00 case

This was always going to be the hardest case to define, so we have decided to make it unique. This is the case for those of you who wish to try as many wines as possible. It will contain one bottle of each wine used to make up the two other club cases. A chance to compare similar styles at contrasting price points.

The £200.00 case

Back to a mix of six pairs but from mid to higher end of our range to stimulate your senses and educate your palate. This selection of classic wines will delight you and your friends with their elegance and finesse. For this case we will be looking for dramatic wines that just make you go "wow". If you are passionate about wine and don't mind spending that little bit extra, then this is the case for you.

Saturday Tastings

Our Saturday Tastings will continue throughout the year and we aim to make them much more exciting by inviting our agents to come in and talk about their wines. They are all very knowledgeable about their products and absolutely love meeting the people who actually drink their wines!

It is always great to see you in the shop and help you make your wine purchases so please do not think that the Wine Club is about replacing your trips to see us – it isn't, it's about enhancing your wine experiences.
